## About snapADDY

snapADDY develops software-as-a-service to digitize the world of sales. With our products, we help companies automatically capture contacts and leads at trade shows and in everyday life. In this way, we reduce the unnecessary and cumbersome work of manually entering contacts and improve data quality in CRM systems. Our software solutions enjoy great popularity and are currently used productively by more than 2.500 customers: from start-ups to medium-sized companies and corporations.

Since its founding in 2015, the company has grown from a start-up to a team with over 80 international employees. In

January 2021, we opened our second location in Vulaines-sur-Seine, near Paris. Our mission is to become the world's leading company that automatically keeps CRM systems up to date and provides the best quality way to capture contacts and leads.
